BRAC Institute of Governance and Development (BIGD)
65, Bir Uttam AK Khandakar Road
(Old BRAC University Campus), Mohakhali, Dhaka 1212

## PROFESSIONAL EXPERIENCE

**Senior Research Associate** July 2025 – Present
BRAC Institute of Governance and Development (BIGD), BRAC University

- Lead research on climate change, internal migration, water security, and policy implementation under senior supervision.
- Apply mixed methods, panel econometrics (Difference-in-Differences, quasi-experimental designs), and geospatial data workflows.
- Coordinate field teams and stakeholders, support proposals and grant deliverables, and produce technical reports and presentations.

**Research Associate** December 2022 – June 2025
BRAC Institute of Governance and Development (BIGD), BRAC University

- Implemented mixed-method research from protocol and instrument development through field supervision, data quality assurance, analysis, and reporting.
- Contributed quantitative and qualitative analysis for project reports and publications.

**Trainee Research Associate (YRF Program)** June 2022 – December 2022
BRAC Institute of Governance and Development (BIGD), BRAC University

- Completed structured training in research design, data collection, analysis, and reporting while supporting field and desk research tasks.
