Name_check	Confirm the information for this respondent. If information does not match at all, return to the prior ID entry question. Participant name: [name] Participant location: [location] Participant ID: [ID]	1	Name completely matches
		2	Name partially matches
Name_check_notes	If the participant name only partially matches with what was displayed, please provide an explanation or a correction to this difference.	Enter text:	
Name_check_other	If there is any additional identification information about this respondent, enter it here.	Enter text:	
attempts	How many attempts (including this one) have you made to reach this participant?	Enter integer:	
contact	Hello. My name is [enum_2] I am working with the Institute for Public Opinion Research (IPOR) in Zomba, Malawi. We are conducting a survey of daily life in Malawi and are looking for [participant name]. She has been selected to participate. Is [participant name] there?	1	Reached participant
		2	Come back later
		3	Person cannot be reached
callback	What is the best time and day to come back?	Enter text:	
Contact_notes	Enter any other relevant notes about not being able to reach this participant.	Enter text:	
Cons_1	Hello. As I mentioned, my name is [enum_2]. I am working with the Institute for Public Opinion Research (IPOR) in Zomba, Malawi. In collaboration with research partners from the College of William and Mary in Virginia, USA, Claremont Graduate University in California, USA, University of Texas, USA, and the University of Michigan, USA we are	No response needed	

	conducting a survey of women in Malawi and would like you to participate.																		
Cons_2	You are invited to participate because your community has been randomly selected. The information we collect will be used for a research study on the livelihoods of women in Malawi. All of the answers you give will be confidential and will not be shared with anyone other than members of our research team. If I ask you any question that you don't want to answer, just let me know and I will go on to the next question or you can stop the interview at any time. You don't have to be in the survey, but we hope you will agree to answer the questions since your views are important.	No response needed																	
Cons_3	Do you agree to participate in the survey?	<table border="1"> <tr> <td>1</td> <td>yes</td> </tr> <tr> <td>0</td> <td>no</td> </tr> </table>	1	yes	0	no													
1	yes																		
0	no																		
Cons_4	If you have any questions with this program for any reasons, you can contact Funny Muthema of IPOR on 085266509 or the University of Malawi Research Ethics Committee (UNIMAREC) of P.O. Box 280, Zomba on 01 524 222	No response needed																	
E_household_size	CURRENTLY, how many people live in this household? Please count everyone who would currently eat together from the same pot. Do not include temporary visitors, or persons living elsewhere for studies or work. Include yourself in the final count. [ENTER 999 FOR DON'T KNOW AND 888 FOR REFUSE]	NA: Refuse/ Don't know Enter integer:																	
rosternote	We would now like to ask you for the age and gender of each household member.	No response needed																	
E_member_num	Household member #	Enter integer:																	
E_member_age	How old is household member #[namenumber1]? IF THE CHILD IS NOT YET 1, PUT 0. ENTER 999 FOR DON'T KNOW AND 888 FOR REFUSE]	NA: Refuse/ Don't know Enter integer:

0	No									
1	Yes									
end_26	Excellent. Thank you. We will be sure to connect you with IPOR.	No response needed								
end_27	[END OF SURVEY] Thank you for your time.	No response needed								
generated_note_name_534	[For enumerator] Explain instructions from the public goods game from the training document	No response needed								
generated_note_name_535	[Enumerator to narrate] Now we will go through some examples to make sure you have understood the rules of the game	No response needed								
e_personal_amt_q	Suppose you put MWK 500 in the joint pool envelope. How much would you have put in your personal envelope? [Ans. MWK 1500] [Enumerator to note down answer provided by respondent]	Enter integer:								
e_jointpool_amt_q	Suppose you put MWK 250 in the joint pool, and your spouse puts MWK 500 in the joint pool. What is the total amount in the joint pool? [Ans.] MWK 750 [Enumerator to note down answer provided by respondent]	Enter integer:								

e_total_amt_q	Suppose you put MWK 250 in the joint pool, and your spouse puts MWK 500 in the joint pool. We provide another MWK 250 in the joint pool and multiply the total by 2. In total, how much will you and your spouse receive? [Ans.] MWK 2000 [Enumerator to note down answer provided by respondent]	Enter integer:										
generated_note_name_539	[For enumerator] Now offer two envelopes to the participant, one envelope to allocate into the joint pool and the other envelope to allocate for themselves. Ask them to write down the amount of their choice inside each envelope and step away to offer privacy. After respondent calls to hand over envelopes, proceed with the following questions.	No response needed										
e_ind_allocation_amount	[For enumerator] Note down amount allocated by individual to themselves	Enter integer:										
e_joint_allocation_amount	[For enumerator] Note down amount allocated by individual towards the joint pool	Enter integer:										
e_decision_allocate	How did you decide how much to allocate to the joint fund?	Enter text:										
spouse_allocate_think	How do you think your spouse will allocate the money?	<table border="1"> <tr> <td>1</td> <td>My spouse will allocate a greater amount to me, and less to himself</td> </tr> <tr> <td>2</td> <td>My spouse will allocate a lesser amount to me, and more to himself</td> </tr> <tr> <td>3</td> <td>My spouse will allocate equal amounts to me and himself</td> </tr> <tr> <td>4</td> <td>My spouse will keep his endowment to himself</td> </tr> </table>	1	My spouse will allocate a greater amount to me, and less to himself	2	My spouse will allocate a lesser amount to me, and more to himself	3	My spouse will allocate equal amounts to me and himself	4	My spouse will keep his endowment to himself		
1	My spouse will allocate a greater amount to me, and less to himself											
2	My spouse will allocate a lesser amount to me, and more to himself											
3	My spouse will allocate equal amounts to me and himself											
4	My spouse will keep his endowment to himself											
E_use_ownmoney	How would you like to use the money you allocated for yourself? [Note to enumerator: If they put all their money in the joint pool, choose 'other' option and make a note saying they put all money in the joint pool]	<table border="1"> <tr> <td>NA</td> <td> <table border="1"> <tr> <td>Refuse</td> </tr> <tr> <td>Don't know</td> </tr> </table> </td> </tr> <tr> <td>1</td> <td>Food</td> </tr> <tr> <td>2</td> <td>Clothing</td> </tr> <tr> <td>3</td> <td>Rent</td> </tr> </table>	NA	<table border="1"> <tr> <td>Refuse</td> </tr> <tr> <td>Don't know</td> </tr> </table>	Refuse	Don't know	1	Food	2	Clothing	3	Rent
